A mobile application registration screen with a green header and a white body. The header contains a back arrow and a progress indicator with seven dots, the second of which is filled. The main title is 'Registration' in green. Below it is a prompt: 'Let's started by entering your mobile number!'. The label 'Mobile No' is in green. The input area consists of a dropdown menu showing a flag and '+60' next to an empty text box. A link for 'Log In' is provided for existing users. At the bottom, there is a disclaimer about terms and conditions and a green 'Submit' button.

The screenshot shows a mobile application interface for entering an OTP. At the top, there is a green header bar with a white back arrow on the left and system status icons (signal, Wi-Fi, battery, time) on the right. Below the header is a white area with a blue progress indicator consisting of seven dots, the third of which is filled. The main content area is white and contains the following elements: a green title "Enter OTP", a message "We've just sent you an SMS to *****9737", a sub-instruction "Enter the secure code below", a row of six input boxes (the first is active with a green cursor), and a link "Didn't receive the OTP Resend in 116 seconds". At the bottom, there is a large green button labeled "Next".

The image shows a mobile application interface for account recovery. At the top, there is a green header bar with a white back arrow on the left and system status icons (signal, Wi-Fi, battery, time) on the right. Below the header is a white area with a horizontal row of seven dots, where the fourth dot from the left is highlighted in blue. The main content area has a green title "Enter Personal Details" and a subtitle "To receive emails and recover your account." Below this is a label "Email Address" followed by a large, empty white text input field with a thin grey border. At the bottom of the screen is a prominent green button with the white text "Next".

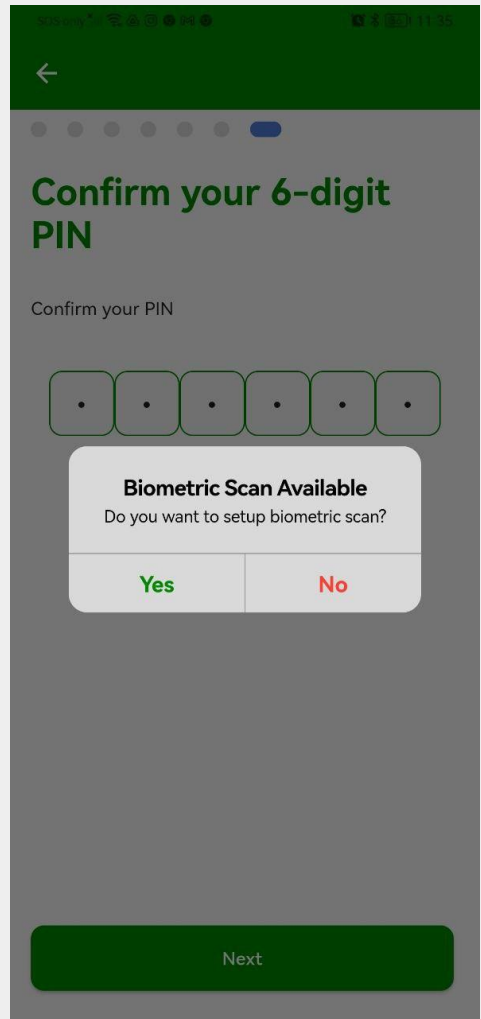

Set ENAM digit PIN anda

The screenshot shows a mobile application interface for setting a 6-digit PIN. At the top, there is a green header bar with a white back arrow on the left and system status icons (signal strength, Wi-Fi, battery, and time 11:34) on the right. Below the header is a white page with a green title "Enter your 6-digit PIN" and a subtitle "Set your 6-Digit PIN". The input area consists of six rounded square boxes, with the first box containing a vertical line cursor. At the bottom, there is a numeric keypad with four rows of buttons: the first row contains 1, 2, 3, (,), and ,; the second row contains 4, 5, 6, +, -, and ;; the third row contains 7, 8, 9, /, N, and a delete icon; the fourth row contains *, 0, #, ., and a blue return key.
